## Introducing Horses and Riders to Inventing Young Rider Event Camp

August 2<sup>nd</sup> - 6<sup>th</sup>, 2010

### Camp Information

**GENERAL INFORMATION:** The Event Camp is designed to help riders (and their horses) improve their riding skills and become more knowledgeable horsemen. The program will include mounted riding sessions in groups (and some private) and unmounted sessions. Riders will work to learn about the aspects of preparing for an event both as a competitor and an organizer.

We will tailor the program for the week depending on each riders' personal goals and skill level- whether it is to prepare for an event or to gain more skills at the rider's current level. Regardless of level, we will have an emphasis on safety both on and off the horse.

The unmounted sessions will range from horse colors, marking, parts, tack use and fit, tack care/cleaning, horse care/vet knowledge, shoeing/studs, nutrition, braiding/bathing, course design, event organization, etc.

**ARRIVAL TIME:** Riders can arrive between 8:00-8:30am at Flatlands. Mounted sessions will occur in the morning followed by lunch and unmounted sessions. A second mounted session will then occur in the afternoon. Departure time would be around 5:00pm. If a later/earlier arrival or departure time is necessary, please contact Lindsey at [Lj1310@msn.com](mailto:Lj1310@msn.com) ahead of time. A more detailed schedule will be provided prior to the start of camp.

**COST:** \$450/week if using a school horse or a current boarded horse at Flatlands. The camp fee must be paid before the start of camp (August 2<sup>nd</sup>). Checks can be made payable to Flatlands.

**FOOD:** Flatlands does not provide meals for the participants. Please bring a lunch/snacks and plenty of beverages. There is a fridge/freezer available to keep food and drinks cool at Flatlands.

Please fill out the corresponding application form and bring to Flatlands or send to:
