Schooling Combined Test

May 1st, 2011

Judge: Rick Pearson, r

As usual for the spring event, we will be parking trailers in specific locations around the barn- please be sure to check in with the parking person to find out where to park. For all other vehicles, we ask that as many people as possible park their cars up at the house - anywhere on the lawn is fine. If you have 4WD, please park in the turnout area behind the barn. Under no conditions should anyone park on the road. If you see any cars there, please let us (or the people parking) know. THANK YOU!

Food will also be available for sale on grounds. All proceeds go towards Pine Creek Pony Club and help with their educational and scholarship programs.
